

CARSON CUTIES: Peggy Hopper (left) and Pat Hamilton, model playthings which will be a part of the Carson Chamber of Commerce "Queen" wardrobe while they inspect another garment to be included. They are among nine girls and six boys seeking top honors in the "Royal Teen" contest in connection with the carnival.

Mr. and Mrs. William A. Warren, on May 5, at Torrance Memorial hospital, 25320 Feijoa, Lomita, announce the birth of a daughter, Gail Lee, born ounces.

Two More Candidates Enter Carson King-Queen Contest

Two more candidates for queen of the Carson Chamber of Commerce carnival on June 11, 12 and 13, got a belated start in that race this past week, but immediately became serious contenders for the title by piling up a large total of votes.

Latest starters are Jeanne Worthan, 17, of 2661 Madison avenue, Dominguez, and Janice Dowell, 17, of 25126 Frampton avenue, Harbor City. They will compete against nine other girls for the queen's role. Six boys are contesting the king title.

King Race
Meanwhile Kenny Parker, who took a commanding lead, continued to pile up votes and already has secured a flash camera, plus a pen and pencil set, as extra prizes. The winner of the king title as well as the queen, will receive a \$100 wardrobe.

While each of the 17 candidates seek votes, a new leader is expected in the king contest

before many weeks. Bob Weiknecht, who is sponsored by a girl's club of Scott playground, became a threat to Parker's lead this past week when more than 20 girls moved into the field to seek votes for their choice.

Jack Henry, chairman of the booth committee, announced several organizations had already completed arrangements for their places on the midway and that others are expected to file this week.

Booths
Among those securing space were Veterans of Foreign Wars Post and Auxiliary, Avalinguez Post, penny pitch and coffee; Wilmington Sportsman Club, fish and chips; Wilmington Junior Chamber of Commerce, drinks; Dominguez Rotary club, ham and bacon; Wilmington Junior Optimists, soft drinks; Boy Scouts, Explorer troop, pony ride.

Pat Hamilton continued to lead in the race for queen, but stiffer competition is expected for the remainder of the campaign with Judy Tompkins

Homeowners To Petition Against Mine

Members of the Pacific Hills homeowners' association will circulate a petition protesting a new diatomaceous earth mine intended for WALTERIA.

This decision was reached at the monthly meeting of the association held at the home of Charles Donsi, 3248 Danaha street.

Also discussed were the problems of homeowners in the new Cottage Grove Properties tract east of Rolling Hills road.

Driveways are to be lowered to six inches below the foundation in accordance with the Torrance ordinance. Aprons are presently being installed.

Survey of street lighting, it was reported, is presently in the

and Althea Stedham making a spirited charge. Althea was confined for a few weeks because of mumps.

The contest will continue through June 4.

Post To Head Pacific Coast Paint Division

Herschel E. Post, one of the nation's top authorities on industrial finishes, has been appointed general manager of the Pacific Coast Paint Division of the Pittsburgh Plate Glass company.

The announcement was made by E. D. Peck, vice president in charge of the paint and brush division.

Associated with the paint industry for more than 30 years, Post joined Pittsburgh Plate Glass in 1930 as manager of the Sacramento, California, store after operating his own paint business there for nine years.

In 1932 he was named sales manager for the Oakland, California, district and eight years later was appointed factory

hands of city engineers for action.

Elvin Schoonover was appointed by the homeowners' group to represent them at the Torrance city council meetings as a member of the advisory committee to the council.

manager of the Houston, Texas, paint division. Since 1942 he has been general sales manager, industrial finishes, at the company's general offices here.

As general manager of Pacific Coast operations, Post will make his headquarters at Torrance, California.

TNT WINS NATION-WIDE TOP HONORS

National recognition came to Torrance high school this week when the Torrance News Torch, official publication of the student body, was awarded first place in a nationwide competition for high school newspapers sponsored by the Columbia University School of Journalism.

"Lively and extensive news coverage" plus "unusual creative material" formed the main basis of the award, an announcement from the university, recognized as the nation's foremost school of journalism, stated.

Current editor of the paper is Jerry Westmoreland, a junior. Thelma Smith, also a junior, has been elected to serve as editor of the paper next year. Advisor is Myron Roberts.

Last month the TNT won similar honors in receiving a rating of "excellent" from the University of Redlands in a Journalism Day contest held there.

NOW... A SAFETY TIRE AT A POPULAR PRICE

THE
NEW
ALL-NYLON TUBELESS
Firestone "500"

EXTRA HIGH-SPEED SAFETY MARGIN

91% STRONGER THAN ORDINARY TIRES

WITHSTANDS 40° HIGHER PAVEMENT TEMPERATURE

The Firestone "500" was developed at the Indianapolis "500" Speedway to give you extra high-speed protection on today's super highways. It stands up under race track speeds faster than you'll ever drive... gives you a 15 MPH safety margin over conventional tires.

The all-nylon cord body of the Firestone "500" withstands the hazards of rocks, curbs and other causes of impact breaks. Unlike ordinary tires which develop weakened cords after several hours of driving, the "500" can be driven continuously without growing weak or "tired."

The Firestone "500" easily withstands the menace of internal heat generated by high-speed flexing and pavement radiation. It is virtually immune from temperatures which cause ordinary tires to "pop" like toy balloons... gives you more protection than you need, even on a desert.

Costs Less than Half the Price of Premium Tires and Safety Tubes... Only Slightly More than First Line Tires and Tubes

Liberal Trade-In... Easy Terms
